Production Auditions

This week we have had the auditions for the acting parts in the "Snake Gully" production. We were very proud of the children who have put their names down and tried for the main parts. Early next term we will finalise these parts. All children in the school will be involved in the production in some way. We look forward to the excitement and challenges that the production "Snake Gully" will bring next term. We will be having a matinee and two evening performances of the show. The dates will be confirmed early next term as we have some construction going on in the hall over the next two months. The kitchen and toilet facilities are being im-

proved.

PTA Disco

This was another very well run event. Thank you to Rangi and team for organising this. There were over 70 children there enjoying themselves. Children also behaved very well. They certainly know how to have fun.

Computer Equipment

We have received funds from the Trillian Trust Inc through a grant put in by the PTA which allowed us to purchase four new Apple Mac computers. These have already been set up ready to go into the classrooms in term 3. A huge thanks to our wonderful Office Administrator, Jenny Wilson, for the considerable time that she spent putting the application together for the PTA. The Trillian Trust Inc is a charitable trust supported by the local Star Tavern by way of gaming machines.

End of Term

The term ends this Friday for students at 2.55pm. We wish all the children a wonderful break from school and look forward to their return in term three. Kia tupato i nga wiki o te hararei. Be safe in the holidays.

Duffy Show

The Duffy show on Monday was very entertaining. We are lucky to be a Duffy School and be supported by our wonderful PTA and this programme.
